

Infinite Legacy

Giving Life. Restoring Hope.

Saving Lives Through Organ, Eye and Tissue Donation

Infinite Legacy is a nonprofit organ procurement organization (OPO) serving almost 10 million people in Maryland, Northern Virginia and Washington, DC. We facilitate organ, eye and tissue donation and educate people about the critical importance of registering to be a donor.

Infinite Legacy works with 68 hospitals and eight transplant centers to decrease the number of people waiting for a lifesaving transplant. We are passionate about giving life and restoring hope while honoring the legacy and generosity of donors and providing care to their families.
